

## GOB smacked SPORTS MOUTHGUARDS

Is a locally owned and operated business with knowledgeable and experienced dental prosthetists and technicians who have worked in the industry for more than 15 years who therefore offer a wealth of experience in this field of dentistry.

**GOB smacked** Sports Mouthguards are professionally made and customised to suit every individual. We firmly believe that all sports players from novice to elite should be fitted with professionally endorsed mouthguards.

We understand the severity and frequency of oral injuries caused during sporting activities, therefore it is our objective to manufacture mouthguards that will protect and prevent oral injuries resulting from these physical activities.

Using advanced technologies, **GOB smacked** Sports Mouthguards are renowned for producing high quality mouthguards. Each mouthguard is customised to suit the individual, whilst ensuring that the mouthguard protects the players, all mouthguards are produced with comfort in mind and are specially designed to not impede speech or breathing.

Not only do we offer quality mouth guards but we also pride ourselves on our customer service and after care. Our friendly team of experts in this industry are willing to answer any queries or concerns regarding all of our products.

**GOB smacked** Sports Mouthguards are preferred health providers for all private health funds, ensuring a rebate back on your mouthguard. Entrust your oral protection with the experts in sports mouthguards.

## CUSTOM LAMINATED

### CUSTOM ECONO GUARD - \$75

This single layer mouthguard is the base profile of our custom laminate range. We don't recommend wearing anything less than the custom laminate range, this is a better option compared to the 'cheap & nasty boil & bite' option sold over the counter.

The Econo Guard reduces lacerations and chipped dentine along with the comfort of custom fitting. Perfect for your little league star. This guard is available in 14 colours.

### CUSTOM JUNIOR GUARD - \$120

State of the art dual laminated mouthguard recommended for ages up to 10 years. Suitable for modified rules. Juniors with advanced tooth and jaw growth may need a more protective mouthguard.

### CUSTOM SENIOR GUARD - \$150

High quality and heavy duty custom dual laminated mouthguard excellent for ages 11 and onwards. Suitable for any contact sport.

### CUSTOM ELITE GUARD - \$220

Elite protection offered through a multi laminated mouthguard incorporating a tough distribution shield within the guard. Recommended for high impact sports.

### INDIVIDUAL DESIGN - \$25
